

DEFENDERS NATION BANNER PROGRAM

Dear Friends and Supporters of Christian School of York,

At Christian School of York, we are excited to be a small school that offers big school options for athletics. We know it is important for students to have a loving environment to grow both in their faith and in their athletic abilities. We invite you to join us in our mission by purchasing a banner for our gymnasium wall.

By joining our Defender Nation Banner Program, your organization will receive exposure to an audience that includes our student athletes, their family and friends, visiting high schools and their patrons, as well as local church groups and a multitude of outside organizations that use our gymnasium year-round.

Your banner will be displayed for one year from the date of installment and will receive over 46,000 impressions per year. You will also receive recognition at games and on our website (please see the attached program details for more information). Your generous sponsorship of our sports programs and extracurricular activities supports our mission of equipping students through academic rigor and uncompromising Biblical truth to impact the world for Christ.

Our Community Relations Manager looks forward to answering your questions at jwentz@csyonline.com or 717-767-6842 ext. 225.

Thank you,

Deb Best
